

The SITECH logo features the word "SITECH" in a bold, white, sans-serif font. A yellow swoosh underline is positioned beneath the letters "I" and "E".A yellow skid steer loader is shown in operation, moving a pile of reddish-brown soil. The machine is viewed from a front-quarter perspective, highlighting its large tires and front-mounted attachment.

FIELD DAY

Join us April 30 for an exciting day of field demos and learning.

Dedicated to Machine Technology, operate both the GCS and Earthworks platforms and learn the different attributes.

- Learn about the latest SITECH technology and how it can benefit your business
- Operate machines with SITECH technology
- Get expert advice from SITECH representatives
